

The community of Saint John of Damascus

A western catholic community with an eastern liturgy

Our community of John of Damascus is a western catholic community, in communion with the Church of Rome, celebrating the Byzantine liturgy.

Western Christians who were touched by the richness of the eastern liturgy established our community in 1997. We feel that this enables us best to experience our personal bond with the Mystery of God. One of the initiators, dr. Johan Meijer CSsR, is still the priest of our community.

Patron saint of our community is John of Damascus. In the 9th century, he was a Christian and a high-ranking official to the Muslim caliph of Damascus. During the iconoclasm, he was a great defender of icons, as they aptly express Gods' presence among us.

Welcome!

We are not a regular parish, but a foundation. We empathically welcome Christians of all traditions. Although our celebrations are held in Dutch, we host people from various nationalities.

Our chapel is open every Sunday from 11.00 hrs to about 13.00 hrs. Coffee and tea for all.

For the up-to-date agenda, check our webpage 'Vieringen' under 'Agenda'. 'Goddelijke Litugie' = Divine Liturgy, the Eucharist
